

LEAGUE RULES

1. **SUBS:** Subs may play in the match and can win points in the match. If no sub is available in a partner match, the one player would play against two. NOTE: All subs must have a valid USGA GHIN handicap in order to be eligible to play in a match. Subs **may not** be used in playoff matches.
2. **MAKEUP MATCHES:** Matches will be allowed to be made up, however they must be made up before the following week's match. If it cannot be made up by next week of matches the team/player that could not make the original match would forfeit. A match can be played at any time **in advance** of the week if both parties agree to a day and time and if there is availability within the pro shop.
3. **FORFEITS:** If a team/player cannot make a match or "No Shows" it will be an automatic forfeit. If there is a forfeit, it is scored as a 5-0 loss. The player/team that receives the 5 points must play the course and can make up to an additional 5 points during their round. A player cannot score more than 10 points for any match. Extra points can be earned by scoring birdie or better against the course. Birdie = 1 Eagle = 2. No points are awarded for pars.
4. **HANDICAPS:** Handicaps are played at 100%.
5. **POINTS:** 10 points are available to win; 1 point per hole and 1 point for winning the overall match. A halved hole is half a point each.
6. **PAYMENT:** \$100.00 per league in addition to the inner club fee.
7. **All players must have an established GHIN in order to participate.** (If you are unsure whether or not you have an established GHIN please contact the pro shop.)
